

NATIONAL SAFETY FOOTWEAR PROGRAM

As we make tremendous strides in embracing a safety culture within Qualico, a National Safety Footwear Program (NSFP) was established to further enhance our regional safety compliance and standardize our approach to footwear administration.

In conjunction with the Regional Safety Managers, the Qualico Corporate Purchasing Department has entered into a formal agreement with Mark's (formerly Mark's Work Warehouse) to supply safety footwear to all eligible Qualico employees.

HOW TO OBTAIN FOOTWEAR

Site Employees: Please fill out the “Request Safety Gear” form on SiteDocs. If you do not have access to SiteDocs, please ask your supervisor to complete the form on your behalf.

Office Employees: If you have access to SiteDocs, please fill out the form mentioned above. If you do not have access to SiteDocs, please click on the link below to request your new footwear. Please contact Bonnie (bonnie.pott@qualico.com) with any questions.
